**NOTICE DEFERRING THE SCHEDULE-FILING REQUIREMENTS OF  
ORDER 2002-3-18**

By Order 2002-3-18, issued March 20, 2002, the Department required eight named foreign air carriers of Japan to file their U.S. all-cargo schedules of service with the Department under Phase 1 of Part 213 of the Department's regulations (14 CFR Part 213).<sup>1</sup> Filings for schedules of existing all-cargo services were due by March 22, 2002.

On March 22, 2002, the Department received a communication from the Japanese Ministry of Land, Infrastructure and Transportation (MLIT) concerning the issues addressed in Order 2002-3-18. While we are considering the MLIT's communication and reserve on the issues raised therein, we have decided to defer until further notice of the Department, the dates for the filing of schedules set in Order 2002-3-18.

We will serve this notice by email and/or facsimile on all parties served with Order 2002-3-18.
